REMEMBER THE TIME
we visited Drink!?

ABCers **moonwalked** into Drink last week to drown their sorrows over The King of Pop's passing.

We welcomed many new faces, including that of BILLIE JEAN and BEN. The real THRILLER of the evening was Champagne drinks, splendid strawberry cocktails and "The Bees Knees." Not one was BAD.

Mixologists behind the bar served as SMOOTH OPERATORS as they poured a plethora of smaller, yet strong drinks. We kept them so busy that at times you may have wanted to SCREAM.

We truly believe Drink has HEALED THE WORLD from crappy mixed drinks with their creative concoctions. It's so good, it's DANGEROUS!
