Volume II, Issue F

July 30, 2009

I guess it's no coincidence that it rains nearly every ABC Club night here in Boston...since it really has been raining almost every night this summer! Thanks to all of you that braved the unexpected downpour to come get a little liquid at Foundation Lounge.

Once everyone came down the steps, grabbed a cocktail, and nestled into some ultra-sleek lounge seating, the weather was forgotten. And around 9:00 when the DJ started rockin' old school hits from the likes of Bobby Brown and BoyzIIMen, it really didn't matter. The back room turned into a true scene as ABCers slinked back to indulge in some quiet conversations and perhaps a little gossip.

Foundation Lounge provided all a lounge should, and we ABCers took full advantage!
